# Practice Exercise 5

Instructions:

Create title page for PresentationZen Book noted above

1.   Create a main cover page for the book.
     Include a Page Border,
2.   Add a 3 line title (PresentationZen) (Simple Ideas for Presentation Design and Delivery) with a large sans serif font, Centered, bold and Caps.
3.   Insert a picture and size it to fit the proportions of the page
4.   Add your personal information.

include: Your Name
              Your Section Number
              Your Teacher's Name
              Today's Date

5.   Use Print Preview to check the overall spacing.
6.   Make sure it's balanced and attractive and that your personal information is not in the border.
